1 included in the total number that aren't broken down?

2 A That would be the total universe of guns.
3 Handguns.

4 Q And of the total universe of guns, the
5 overwhelming number of them, although there's not a
6 breakdown here, would be handguns?

7 A Yes.

8 Q Would you agree with me that based on these
9 numbers, the firearms that have been banned in SB 281
10 are only very, very rarely used in crime in Prince
11 George's County?

12 MR. FADER: Object to the form. You can
13 answer it.

14 A They are not common in Prince George's
15 County by any means.

16 Q And my specific question is they're not
17 commonly used in crime in Prince George's County.

18 A They're not commonly encountered in any
19 crime. And the illustration of what we've seized in
20 the course of these three years, I think speaks for
21 itself.
